About Ronald McDonald House Charities South Australia

For the past 24 years, Ronald McDonald House Charities SA has been dedicated to creating a “home away from home” for children and families who have to travel from regional South Australia for medical care. As a trusted and independent non-denominational organisation, Ronald McDonald House has deep roots in the community. We are the only organisation that provides safe, free accommodation to all regional families visiting the Women’s and Children’s Hospital.

We not only provide a comfortable place for families to stay but also offer various programs and services to support them during their difficult time. We offer a range of services such as meal programs, transport services, and counselling for families to help them cope with the stress and emotional toll of having a sick child. These services are vital for families who are often far away from their support network and are struggling with the financial burden of medical treatment.

The impact that Ronald McDonald House Charities SA has had on the lives of families is immeasurable. We have been a lifeline for many families who have had to endure the stress and uncertainty of having a sick child. By providing a “home away from home,” Ronald McDonald House has created a sense of community and belonging for families who are going through a difficult time.

At Ronald McDonald House Charities SA, we’re committed to ensuring every regional family has access to our essential services and programs when they need it most. However, we can’t do it alone – we need your support to grow and continue providing a lifeline to families in need. Join us in our mission to make a difference in people’s lives.

About our Golf Day

Following the success of our inaugural Golf Day in 2023, we're back at the prestigious Royal Adelaide Golf Club for another Round!

Our Request

We are inviting Adelaide's corporate and community leaders to join us on Friday 1 November, as we come together to raise money to support the hundreds of families we provide essential services to each year.

Aligning your business with RMHC SA is a great opportunity for your company to engage with one of South Australia's most loved charities and to celebrate the wonderful support we have provided to vulnerable families during our 24 year history.

By partnering with us for this year's Golf Day not only will you receive some great benefits and exposure for your business, but you will also ensure that more funds go directly to support the families of seriously ill and injured children.

We hope you can join us and together we'll make a difference at the 2024 RMHC SA Golf Day.

Our Why

Community donations & fundraising initiatives contribute to 75% of our running costs, and we physically couldn't continue supporting families without the support of our community.

In 2023, **335** families called us home, with a total of **7,283** nights of accommodation provided.

For these families the House offers more than just a place to sleep. The House and services are carefully designed to give families a home-like environment that helps them feel more supported, less stressed and better able to support their sick child.

Accommodated **335 families**

7283 total nights of accommodation provided

Ronald McDonald Learning Program: supported **70 students**

4,695 volunteer hours were completed

Where our **families** come from...

74% South Australia
22% Northern Territory
4% New South Wales
